ERIC WITTKOPF

Traveling - Creator - Storytelling

I turn the untamed into the unforgettable. Driven by a passion for nature and high-performance sports, I travel the globe to weave visual tales that resonate. My expertise lies in the fluidity of movement and the depth of emotion – whether I'm operating a drone in gale-force winds or capturing the silence beneath the ocean's surface.

As a Creative Director with a Master's degree, I offer more than just photography and videography. I provide visual solutions. From crafting the identity of boutique hotels to producing campaigns for international brands, my lens captures the essence of the experience.

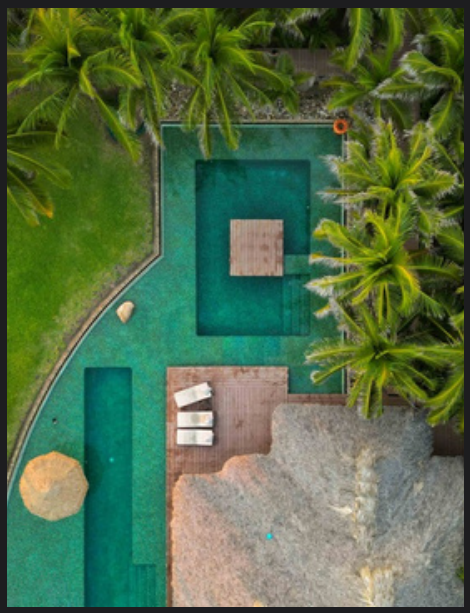

I don't just look for beauty; I look for the story. I invite you to immerse yourself in my portfolio – not just to see what I've done, but to see what we can create together.

RECOMENDATIONS

FREE CERVEZA™

"Eric and Maike were phenomenal to work with! We have a very high standard for the type of content we put out on our social channels and were thoroughly impressed with the videos and images they produced.

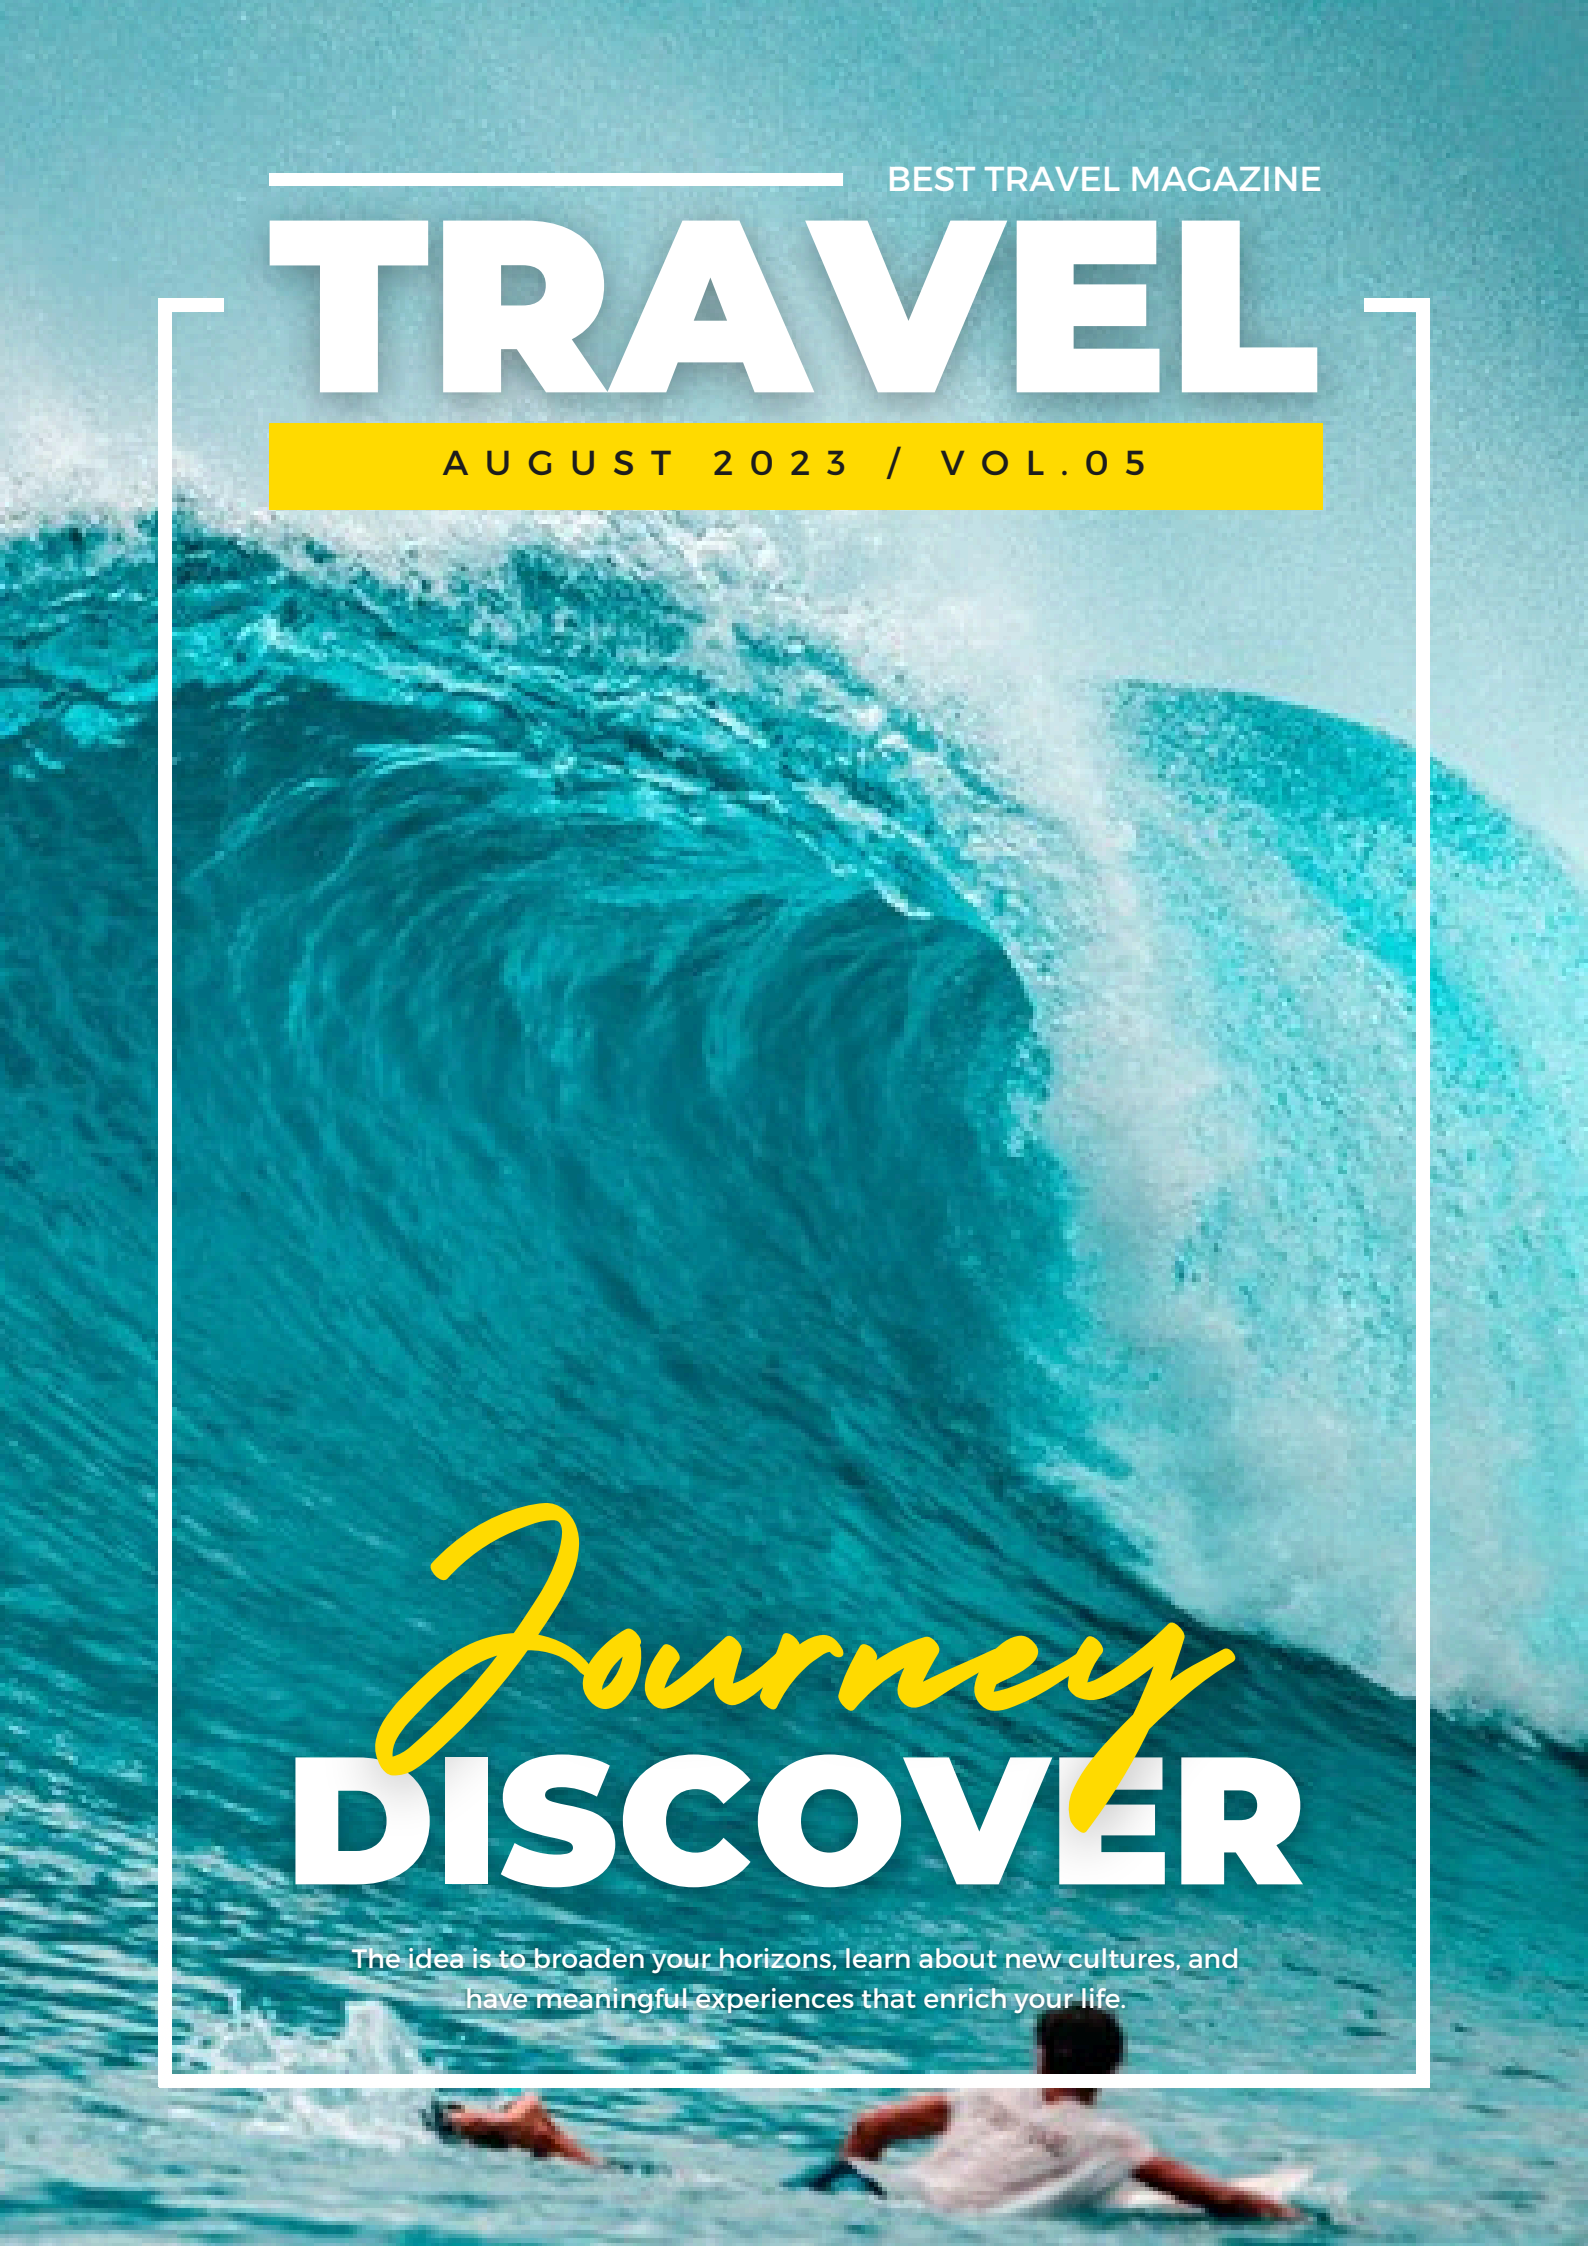

We had them stay at Free Cerveza Hostel for about a week, and in that time, they were able to capture some stunning images and video footage that truly captured the atmosphere of our hostel and Lake Atitlan. We're so happy with the work that they've done and highly recommend them to anyone looking to elevate their online presence with professional and creative content. A 10/10 experience, and we would absolutely work with them again."

– Mia Celeste, Content & Marketing Director at Free Cerveza Hostel, Guatemala

TOP TRAI

IN THE COSTA RICAN JUNGLE

We, as Top Trails Corcovado's team, are writing to express my sincere appreciation for the collaboration we had with Maike Rosenberger and Eric Wittkopf during our recent adventure tour. It was indeed a pleasure to work alongside such talented photographers.

As a tour operator, we understand the importance of capturing the essence of our tours through compelling visual content, and Maike and Eric exceeded our expectations. Their creativity and keen eye for detail resulted in beautiful photographs and videos that truly captured the spirit of the authenticity of Corcovado's primary forest that we always want to transmit to our clients.

LIVE YOUR PURPOSE.

The media content produced by them has become a very useful asset to our marketing efforts. The high-quality visuals they captured have helped to improve our promotional materials and online presence, positively impacting our brand image.

We recommend Maike Rosenberger and Eric Wittkopf for any future collaborations or projects related to photography.
Thank you once again for the nice collaboration, and we look forward to the opportunity to work together sometime in the future.

Sincerely,
Top Trails Corcovado, Costa Rica
